

PUPIL PREMIUM

The Pupil Premium is designed to ensure that funding to tackle disadvantage reaches the pupils who need it most. The funding is allocated to Local Authorities and schools with pupils from Reception (age 4) to Year 11 (age 16) who:

- are known to have been eligible for free school meals (FSM) or have been in the previous six years (Ever6)
- have been continuously Looked After for more than six months by the Local Authority
- are recorded as a Service Child.

We recognise that not all children that are entitled to Pupil Premium funding are disadvantaged, conversely there may be other groups of children who require additional support. Funding is allocated by the school appropriate to the needs of the children entitled to the Pupil Premium. Therefore not all pupil premium children will be in receipt of interventions at any one time. The current funding per Pupil Premium eligibility

Total Funding for the year (2016 – 2017) - £9,040 (actual funding)

Current Numbers on Roll (NOR) Reception - Yr 6 = 99

Number of Children on roll entitled to FSM/Ever6 - 5 (5%)

Schools are given the freedom to spend the Premium, which is additional to the schools budget, in a way we think will best support the raising of attainment for the eligible pupils. Our current funding (April 2016 – March 2017) is based on 10 children who currently, or during the past 6 years, have been in receipt of Free School Meals (FSM) or are Service Children. The current funding is £1,320 for FSM/Ever6 and £300 for Service Children.

Teachers monitor and report impact termly, through pupil tracking data and pupil progress meetings with the Head teacher.

The Governing Body receives termly progress reports from the Headteacher, to enable them to evaluate the impact and value for money aspects of the Pupil Premium funding.

Distribution of pupils eligible for pupil premium throughout the school
