Week 11

This week, the Starling Class had a wonderful day on Tuesday during their Mediaeval Day - they made all sorts of different items, such as: money pouches, soap and plaited woollen bracelets. They looked fantastic in their outfits; I believe the staff had a great day as well.

Last Friday, the Goldfinch Class had an AMAZING day at BeWILDerwood. I understand that Mrs Morris and Mrs Smith also had a lovely time; they all kept cool in the shade of the trees and in their air conditioned bus during their journey! Thank you to the PTFA for supporting these trips.

A group of children in Owl Class also completed their Play Leader Training, in order to lead games for the younger children next year at break times.

KS2 SATs update

Schools were expecting the results of the KS2 SATs data to be released to schools on Tuesday 7th July. However, due to some errors relating to Pearson Education Limited, the contractor responsible for the end administration of the KS2 SATs, their results portal is not yet ready for schools to access the results. Apparently, additional time is required in order for them to ensure this is resolved and then schools will be able to access the results on 16th July. This means we will still be able to share the SATs results with the Year 6 children before the end of term.

PTFA Event

On Wednesday 15th July, the children are invited to come in dressed up as a 'Rapper' A very unusual request - but the teachers, along with the PTFA have an end of term treat for the children. As the children have been working so hard during the year, we thought they deserved a special activity. During the day the children will have the opportunity to complete some 'Rap' style work! Children - you will find out more on the day!!!

Update regarding Entrance to Fowlmere

Just a reminder: During the Summer holidays, there are going to be a number of improvements to the school. The Local Authority (LA) are supporting these improvements, which include: new roofing, new windows and most importantly: a more secure entrance and fencing around the school in order to ensure the safeguarding of the children who attend Fowlmere Primary School. The work is due to start next week. From Monday 6th July, children will enter school through the small gate next to the hall. They will then walk through the hall to their classrooms. This is to enable the contractors to set up in the front playground. At the end of the school day, the Badger and Owl Class will be led out by their teachers across to the Butts for parents to collect. The Starling Class will leave from the main front door to be collected on the playground.

Have a wonderful weekend
