

Fowlmere Primary Newsletter

17th April 2026

Week 1

Welcome back to Fowlmere Primary School, I hope everyone has had a lovely Easter break; the children were all chatting happily about their holidays. A warm welcome also to Mrs Morris, our new Class Teacher of Goldfinch Class; I understand she has had a lovely first week at Fowlmere.

This week the Goldfinch Class started their swimming lessons, which they appeared to enjoy.

Challenge 2026

Congratulations to all the children who have challenged themselves to raise money for the PTFA, this has been a popular event, with some children saying they have not quite finished - so we have extended the deadline to Monday 27th April. If your child would like to take part in the Challenge - there is still time!

Castles & Cardboard

The Starling Class are learning about castles. If there are any families who have a castle or castle themed toy/book/things that your children have grown out of, please would you consider donating to the Starlings class. In addition Mrs Moffat has asked if anyone has any cardboard boxes or recycling for their junk modelling corner it would be greatly appreciated, as stocks are low. Many thanks.

School Clean Up Day

We were joined by over 20 volunteers on 10th April to support the School Clean Up Day! Everyone worked so hard to clear many different areas of the school, from the overgrown garden and swimming areas, cluttered patio areas, and rotten, unsafe decking to name but a few. The results look amazing! Many thanks to all the volunteers, but a special thanks to David Webb, who enabled this to happen with volunteers from his work (i-Transport). Thanks also to David's children (Flora and Ivy) who baked some wonderful tasty cookies and who, along with his wife Jo, delivered lunch to all the workers! **THANK YOU!**

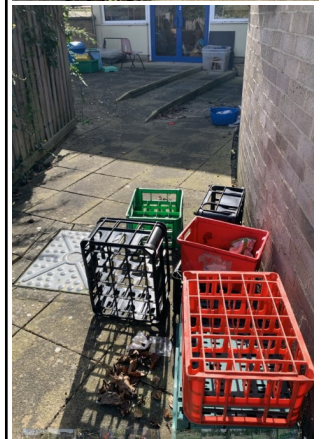

DATES:
