

## **Literacy**

- We will study “The Iron Man” by Ted Hughes and write a persuasive letter, diary and descriptive texts.
- Extend our knowledge of spelling, punctuation and grammar.
- Practice a range of comprehension skills and reading.

## **Maths**

- We will be deepening our understanding of fractions, percentage and decimals and converting between them.
- Year 4 will also be solving mathematical problems involving money.

## **Science**

Forces and Space – unbalanced forces. We will investigate gravity, friction, air resistance and their effects.

# **Fowlmere Primary School Owls Class – Curriculum Map Spring Term 2**

## **Music**

We will be following the Charanga Music scheme “You’ve Got a Friend”.

## **PE**

We will be improving our striking and fielding skills.

## **RE**

We will study the beliefs of other religions about life after death

## **Geography**

We will be learning about the water cycle, biomes and lines of longitude and latitude.

## **Art/DT**

We learn to draw an accurate self-portrait and then draw different self-portraits influenced by 20<sup>th</sup> Century artists such as Rene Magritte, Andy Warhol and Roy Lichtenstein.

## **PSHE**

We will study and understand how friends can communicate safely.
