## Week 8

It was lovely this week to see all the children dressed as their favourite book characters. Congratulations to the children who received their £10.00 book vouchers, donated by the PTFA for the most imaginative costumes. There were so many great costumes to choose from, I was particularly impressed by 'The Saucepan Man' from the Magic Faraway Tree - it brought back memories of my youth!

I understand it is soon to be released on film.

The children wrote some fantastic pieces, following on from viewing and discussing a picture of a castle and a wooden bridge. Some of these pieces will be displayed around school, to show the progression of writing from Reception to Year 6.

The children also had to try and guess the favourite books of different members of staff!  
Please see attached and see if you can guess correctly!

## Challenge 2026

It has been lovely to hear some of the different challenges the children are setting themselves in order to raise money for the PTFA. If the children are completing a challenge regarding sponsorship, please remind the children only to ask their family and friends.

## Update from Governors

We hope you are enjoying the warmer weather. Here are a couple of updates we wanted to share following the most recent governing body meeting on 4th March.

### School Clean Up Day, 10 April

David Webb, governor and parent to Flora and Ivy has kindly arranged for his colleagues from i-Transport in London to volunteer at the school as part of their annual charity day. Around 18–20 members of the i-Transport team will spend the day helping to clean and clear some of the cluttered spaces both inside and outside the school. We are very grateful to David for all his effort in making this happen.

### Community Clean Up Day and school building work

There is an extensive programme of building works and refurbishment planned for the summer holidays. This is all funded by the Local Authority. This is very exciting and will bring about significant improvements to both the interior and exterior of the school. In preparation for this, and to build on the work from the first clean up day, we are planning to organise another day in the summer term, when we hope families and the community will come and help us sort, tidy and spruce up areas of the school that have been a bit neglected. Please look out for the date!

### A Huge thank you to our Office Team

We'd also like to recognise Alison and Jude for their brilliant work in the Fowlmere Primary office. With the support from Anita (at Foxton) they've hit the ground running since starting with us, helping to ensure all office and school systems run smoothly. It's clear to the governors how much their support and organisation are already making a big difference to the school and our families. If you haven't already met them, please pop in to say 'hello' - you will get a very warm welcome.

## Midday Supervisor

We are looking for a midday supervisor to support the school during lunch times. If you, or anyone you know has availability during the day between 11:30am to 1pm, please do get in touch with [AArmitage@fowlmere.cambs.sch.uk](mailto:AArmitage@fowlmere.cambs.sch.uk)

Alternatively, to find out more - please view the website - [Fowlmere Primary School - Midday Supervisor](http://Fowlmere Primary School - Midday Supervisor)

## First Stage of Clearing Up!

These chairs, that have been a fixture of Fowlmere for some time - have been relocated to be used in a school in Nigeria! Thank you to Mrs Smith, for organising this. We now have an area we can really look to start developing!
